

Update Form

It's time to send your mandatory update for your adopted horse. Please visit our site at www.horseadoption.com or use the allotted space below to let us and the horse's donor know what you have been up to. You may also email me directly at updates@horseadoption.com. We receive many wonderful update and pictures from some of you, but some adopters have not regularly sent us updates or pictures. **Keep in mind that every adopter is under contractual obligation to send at least 3 updates and pictures within the year long length of the contract.**

Please remember that each update should include at least 1 color full body shot of your nicely groomed adopted horse without blankets or tack in a well lit and eye appealing setting. Any others that you would like to include are welcomed. If you have any questions, please feel free to contact me at the information listed below.

Sincerely,
